

- Accident-prevention covers
- Analysis equipment and machinery
- Automation / Robotization
- Bag-in-box
- Bag-in-box fillers
- Balances
- Barrel washers
- Basket washers
- Batching and blending systems
- Beverage and fruit juice plants
- Beverage chemicals
- Beverage stabilizing and preserving agents
- Beverage vending and dispensing equipment
- Bottle crates
- Bottle decoration
- Bottle exterior washers and driers
- Bottle heaters
- Bottle neck chillers
- Bottle ranging machines
- Bottle storage
- Bottling and washing automatic systems
- Bottling line equipment
- Bottling machines
- Brewing equipment
- Business software
- Can fillers
- Cans
- Cappers and corkers - Decappers and decorkers
- Caps, corks and capsules dispensers
- Capsuling machines
- Carbonating cylinders
- Carbonators
- Carton formers
- Carton gluers
- Carton packers
- Carton sealing machines
- Cartons
- Case packers and unpackers
- Case washers
- Cask and keg weighing machines
- Casks, barrels and barriques
- Centrifuges
- Certification (quality control)
- Champenoise processing equipment
- Chemical glassware
- Coders and markers
- Compartment insert introducing machines
- Concentrators and evaporators
- Containers
- Control panels
- Conveyor belting
- Conveyors systems (for bottles, cases, demijohns)
- Corks

- Crumbling machines
- Crushers
- Crushers-stemmers
- Decappers and capscrapers
- Dehumidifiers
- Demijohns
- Depalletizers
- Desaerators
- Desulfiting machinery
- Detergents and scale removers (products and equipment)
- Diffusers
- Disinfecting plants
- Dissolvers
- Distilling equipment
- Diverters / Unscramblers
- Doors
- Draining tanks
- Driers
- Elevators
- Exhibitions and trade shows
- Expanded polymeric caps and stoppers
- Fermentation adjuvants
- Fermentation tanks and others
- Fermentors
- Fiberglass cooperage
- Filling machines
- Filter sheets and cartridges
- Filtering agents and products
- Filtering mediums
- Filters
- Fining agents
- Flavouring agents, essences, juices
- Floor & wall coatings and drain systems
- Flow metres
- Fruit processing plants and machinery
- Gas automatic dosagers
- Gas generators (nitrogen, ozone etc.)
- Gas pipe reducers
- Gas strippers
- Glass bottles
- Glass stoppers
- Glasses
- Glues and adhesives
- Graders
- Grape must separators
- Grape raisining plants
- Grape washing machinery
- Grape-stalk conveyors
- Heat exchangers
- Homogenizers
- Hydraulic presses
- Industrial vacuum cleaners
- In-line presses

- Inox racks
- Inspectors
- Ion exchange equipment
- Keg fillers
- Keg washers
- Kegs
- Kieselgur and expanded perlites
- Label printers
- Labellers
- Labels
- Laboratory and optical equipment
- Layer filters
- Level detectors
- Linings and coatings
- Liquids automatic dosagers
- Lubrication
- Macerators
- Machinery maintenance preparations
- Manhole doors for tanks and covers
- Measuring equipment and systems
- Mechanical presses
- Membrane filters
- Membrane presses
- Metal caps and stoppers
- Metal capsules
- Metering capsules
- Microfiltration
- Microoxygenation
- Mixers
- Mobile bottling lines
- Monitoring equipment and systems
- Motors and geared motors
- Must coolers
- Must heaters
- Nitrogen dosagers for storage containers
- Oak chips
- Orientators
- Packaging systems
- Packing cases
- Paints
- Pallet wrapping equipment
- Palletizers
- Pallets
- Parts and fittings
- PET bottles
- PET-PVC-PE bottle manufacturing equipment
- Pipe fittings
- Pipes and tubes
- Plastic caps and stoppers
- Plastic capsules
- Plate filters
- Plate pasteurizers
- Poly laminated aluminium capsules

- Precision thermostats
- Preforms
- Presses
- Pressure tanks
- Printing systems
- Promotional items
- Publishing houses and trade magazines
- Pumps and electrical pumps
- Purifiers
- Racks
- Reception and conveying plants (grape, fruit, olives)
- Rectified concentrated grape must plants
- Reverse osmosis
- Reversing equipment
- Rinsers
- Sampling valves
- Screw caps
- Sealers
- Services
- Shaking equipment
- Shrinkpackers
- Shrinkwrapping equipment
- Sleeves and sleeve application equipment
- Small bottles
- Solids automatic dosagers
- Stabilizing plants
- Stalk extractors
- Stalk-removing machines
- Staves
- Steam generators
- Steel cooperage
- Sterilizing equipment
- Stick-on labels
- Strapping tools
- Sulphitometers
- Tangential filters
- Tank cleaning machines
- Tanks
- Tap-holes
- Taps
- Tear-off caps and stoppers
- Technical gas
- Temperature and moisture control system
- Thermometres
- Tight board compartment inserts
- Tin capsules
- Topping up
- Trading associations
- Tunnel pasteurizers
- Unloaders
- Valves
- Vats and self evacuating tanks
- Vinegar generators

- Vinification and thermovinification plants
- Washers
- Waste and vegetation water treatment (equipment and products)
- Waste processing disposal (presses, stalk choppers etc.) and recycling
- Wine lees removing machines
- Wine refrigerators and refrigeration equipment
- Wine shop and restaurant equipment
- Wine stabilizing and preserving agents
- Wine-making and automatic wine-making machines
- Wine-making biological adjuvants
- Wine-making chemicals
- Winery and factory cleaning and maintenance preparations
- Winery design
- Winery implements and supplies
- Wire hoods
- Wiring machines
- Wraparound case packers
